

Kathy Kosins
presents
Rhapsody in Boop

And the critics said...

"...her performance maintains a balance of swing and sensuality... great vintage songs... I wasn't expecting to fall in love..." – Will Friedwald, New York Sun

"...a voice that can conjure both the girl next door and her older wiser sister..."
– Neil Tesser, Chicago Reader

"Kosins has that rare quality...Phrasing that's impeccable, indicative of a jazz great."
– Dick Crockett, The Voice – 88.7 FM

About the music:

The arrangements written by celebrated orchestra leader Paul Keller bring a fresh, contemporary sensibility to the songs, while retaining the musical heritage of the compositions.

Rhapsody In Boop is a live concert featuring some of the best musical moments from the films of Betty Boop.

This unique event appeals to audiences of all ages.

Show size:

The show is available with Kathy Kosins plus a trio OR larger band sizes with varying price points. A big band configuration is also available.
